As per my message on Signal, we saw this report today.

Civil Georgia | Meta Removes Russian-Origin Accounts, Pages Targeting Protesters of Foreign Agents Law

I don't know if the Mission has direct contact with Meta, but their **Content & Product Policy Manager, Misinformation, Mike Bradow** is a friend/contact of mine and was worked for USAID for 10 years- both in Central Asia and in OTI.
He could be a good contact for the mission, or at least put you in touch with the right people, particularly in the lead-up to the elections.
