Thanks for the follow up. We are still organizing ourselves internally and we will contact you soon. Most likely, it will be either me in Guatemala or Cara Tanassi /Stacie Brown from Washington. kgr

Deborah and Inigo,
We are discussing in the mission whether would be better to have a conversation including all sections involved, not just USAID. Another persona from the mission may contact you soon to organize the expanded meeting. Otherwise, I'll touch base with you by the end of this week.
Gracias,

Iñigo and Deborah,
Greetings from Guatemala. Cara and other colleagues from USAID / Washington have told us about opportunities to work with Meta. I'm managing our elections project, implemented by CEPPS. I would like to meet with you to discuss any coordination opportunity. Please let me know if you are available in the next few days and what would be your time preferences to have a conversation, virtually or in person if you are in Guatemala.
Best,
